

FAMILY FUN PARK

Experience family fun

There aren't many places where all members of the family – from young children to grandparents – can experience some fun together.

Pictou County's Magic Valley Family Fun Park, just off Exit 20 of Highway 104 at Greenhill, is such a place. It's the largest park of its type in northern mainland Nova Scotia and Cape Breton.

"There are things here that people can do together," says owner Bill MacNeil. "There are a lot of the rides where they can participate with their kids or grandkids."

Every day is bracelet day at the park, which features:

Nova Scotia's Highest and Longest Waterslides

Bumper Boats

Swimming Pool

Storybook Village

Pedal Boats

Miniature Train

18 Hole Mini Golf

Coconut Drop

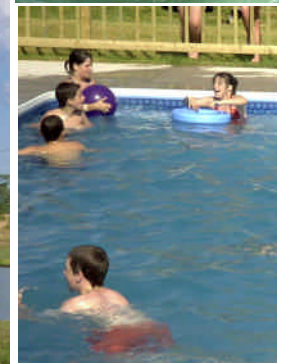

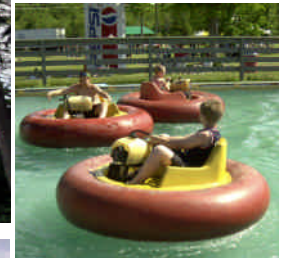

Red Baron

Live Animals at Old MacDonalds Farm

"Daisy" Canada's Only Talking Cow
