

## Vintage: More than another stove store

The Vintage Stove and Fireplace outlet in Hilden and one in Amherst both feature full-service showrooms with stoves, fireplaces, inserts and accessories for wood, gas and pellet heat. The stores offer a full line of quality products from major manufacturers, along with unique wall art and décor.

Friendly and knowledgeable staff help the customer in making the right purchase and then provide all follow-up services from installation to chimney cleaning.

Both outlets provide professional Wood Energy Technical Training (WETT) certified technicians to work with you in the installation and maintenance of your heating alternative choice. Professional services include:
